

1  Quantity: 1 piece 683 Left bar risers	2  Quantity: 1 piece 683 Right bar risers	3  Quantity: 2 pieces M8×20 Torque: 30N-m	4  Quantity: 2 pieces M8×30 Torque: 30N-m	5  Quantity: 1 piece Screw glue
--	--	---	---	---

- Notes:
1. Please read the installation instructions in detail before installation.
 2. Do not tighten the fixing screws when installing each part in turn, and then apply the appropriate amount of screw glue after each part is installed. Then tighten all the screws, and note the torque requirement of each screw (see the above accessories list).
 3. Regularly check the fixing screws of each component.
